Important Notice to Animal Owners Involved in the Show

The Irish Shows Association would advise all animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. We understand that it costs very little, or nothing at all, to do so, depending on who you have your insurance cover with.

If you are one of the few people who does not have cover, we would advise that you think about putting it in place for this purpose. It may well be worthwhile.

The reason for us giving you this advice is to protect yourself in the event of your animal lashing out and injuring someone or damaging someone's property. If that were to happen, and it is established that your animal was out of your control, you may be held fully or partly responsible for any injury or damage caused and may end up paying all or part of any settlement reached.

Animal Identification and Movement (AIM) Notification

1. The movement of cattle to and from an Agricultural Show/Fair within the State must be recorded on the AIM System.
2. With effect from 4 February 2019 there is a specific Certificates of Compliance for the "Movement of Bovine from a Single Holding to a Show", form NBAS 31K refers.
3. The herd keeper must obtain the Certificate of Compliance prior to the movement of animals. The certificate can be created by (i) applying on-line using their agfood account or (ii) where the keeper is not on-line the certificate can be generated by the local Regional Veterinary Office (RVO) following receipt of a completed form NBAS 31 K.
4. The creation of a certificate is subject to normal movement criteria such as clear TB test etc.
5. A copy of form NBAS 31K is included at Appendix 2 and will also be available on www.gov.ie.
6. When applying for this certificate, the Show/Fair number is not required. The certificate generated will include an "S" symbol.
7. The Certificate of Compliance for a show will continue to be valid for a period of up to 30 days. As is currently the case, these can be used for the movement of animal/s to several shows during the validity period of the certificate. Requests to the RVO should be provided with sufficient time to allow for the certificate to be generated and issued especially where one cert expires, and another is required immediately. Keepers who are likely to attend at consecutive shows are strongly advised to apply using agfood.
8. Calves which are less than 10 days old cannot be moved to a Show.
9. The Movement Notification Section of the Certificate should be completed and signed by the Keeper. The form should also be signed / stamped by the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary.
10. If the animal/s move from the show to a herd other than the source herd, the new destination herd must also sign the certificate.
11. Completed forms must be sent by the Show Secretary to the local RVO within seven days of the Show. Failure to have movements recorded within the required time scale may have implications for the herd keeper/s involved.
